

Hennig Olsen Is AS

- project info

Project: Hennig Olsen Is AS, Kristiansand
Sector: Icecream production
Product: MOVO - mobile racking
Storing of: Cartons on pallets - labels and packaging
Month / year: 2007
Completed by: Constructor Norge AS

Due to an constant flow of new products, and a regular increase of output, the storehouse for labels and packaging needed more space.

Solution:

The solution was to replace the existing racking with MOVO - mobile racking. This increased the number of pallet places with 70 %.
