

Lyskomponenter AS

- project info

Project: Lyskomponenter AS, Kristiansand
Sector: Electronics components
Product: MOVO - mobile racking + HI280 shelving
Storing of: Cartons and loose components
Month / year: 2007
Completed by: Constructor Norge AS

Lyskomponenter moved into new premises and was in need of effective storage of both pallets and small parts.

Solution:

By choosing MOVO-mobile racking and HI280 shelvings for loose components they would get much more pallets in a very small area.

Capacities:

MOVO - mobile racking

Pallet places: 225 pallets
Length : 14,2 m
Height: 3,5 m
No. in height: 3 pallets

HI280 shelving

Shelf meters: 966 shelf meters
Length: 2-13 m
Height: 2,1 m
Shelves in height: 6 pcs

MOVO front and aisle.

HI280 shelving for small parts.
